MALFOUF AND THE NOMADIC SOUL DRUMMERS AT EXTRAVAGANZA 2008

The group's appearance at the Academy of Middle Eastern Dance annual Extravaganza event is a feature of the program each year. The performance track is the 2008 Extravaganza performance on the Malfouf's Drumming CD!

Hello fellow drummers,

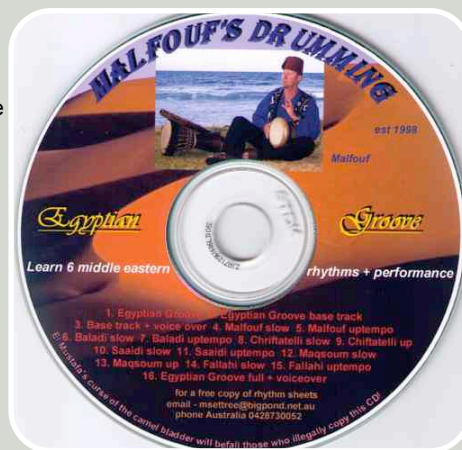

My next Brisbane drumming workshop is in 2 Saturdays, being September 13th. See flyer for details and hope to see you there. Why not share your passion for drumming, and invite your partner, family or a friend to check us out. Please help me to promote the workshops by placing the attached flyer on notice boards etc or forward this email to anyone interested.

Two new CD's available from Malfouf. One teaches rhythms while the other is all performance tracks, especially for the dancers. Check out the flyer for more details.

NEW DRUMS - I am expecting a shipment of new drums in the next month or so. If anyone is looking for a new drum or something special to add to your collection, please let me know.

Have a good one and hope to see you on the 13th Sept.
